Midlands & South West Cathedral Singers - SUBSCRIPTIONS

The subscription rate for 2007/2008 has increased to £12 per singer unless you fall into one of the following categories when there is **no subscription** charge.

- 1) **Adult Individual Member**
- 2) **Student or Junior Member**

As student membership only costs £12 – the same as Cathedral Singers subscription, we recommend that juniors seriously consider joining. They will then receive *Church Music Quarterly* four times a year, information from their RSCM Area about local courses, 25% discount on single copies of RSCM publications and discount on RSCM national courses.

The same benefits also apply to Adult Individual Members, but their membership fee is £38 per annum. Note that just being a member of an RSCM affiliated choir does not make you yourself a ‘Individual Member’ of the RSCM.

To join the RSCM, ring RSCM Membership 01722 424848 (with your credit card handy!) Monday to Friday 9.00-5.00pm.

Singers who are not Individual or Student members of the RSCM as above, must send their subscription cheque for £12 (made payable to ‘*The RSCM*’) to the MSWCS Secretary when returning their ‘Availability Form’.
